

Long Lake Fish & Game Club Annual Newsletter – 2022

Annual meeting for the election of officers and directors in June remained the same. Clark Seaman – President; James Swedberg – Vice President; Bruce Jennings – Secretary; Shawn Wright -Treasurer. Our Board of Directors are: Donn Rifenberg; Martin Furlong and Gerald Nenninger. Always looking for active members to help with decision making and anyone who wish to participate in the everyday affairs of the Club. **Membership is holding at 357 plus.**

The Club Raffle of the HENRY 410 Lever Action Shotgun, was won by Sandy C. of Syracuse and South Shore Asso. Ed. LaC of Newcomb, NY won the second-place prize of \$100. Next year's Club raffle will be for a Ruger PC Carbine in 9mm with Free Float Handguard. We are again raffling for the support of Trap Shooting a Browning BT-99 Micro Midas in 12 gauge and for pistol shooters a Kimber Stainless Target II engraved with the LLF&G name & LL Bears logo in .45 caliber with a limited number of tickets sold.

The 100 Bird Shoot was our big event of the year. There were plenty squads to be busy. Kitchen was open serving great food. The camping facilities are working well to accommodate everyone. A good time was had by all.

Friday Night Trap is always something to look forward to. Even with the shortages of ammo we managed to have fun.

Our Kids program continue with ice fishing derbies and the June Golden Trout Contest. The Long Lake Central School provides a coach for the NYS High School Clay Target League. We placed fifth in the conference of eight. There were six students in our League. Annalise P. won the High Average Female Shooter for this conference. Cannot wait till the Spring League starts. DEC Camps are opening again. The Club may send 3 kids this year.

The members take very good care of the shooting range. It is noted that it is always ready for the next sportsmen. Our facilities get compliments all the time on its appearance and what is available. The membership dues and support of raffles keep the grounds in tip top shape. Could not do this without you.

One major accomplishment was to finish paying off the mortgage on the Land Purchase. Volunteers helped to get the site prepared for the 25 yd Indoor Range. We believe this will happen in stages. First to create an enclosure with the ability to heat and shooting ports that will provide access downrange into a berm. There should be enough lumber to build a canopy for 25 yds that eventually could be enclosed from wind.

The Long Lake Fish & Game Club remain members of the NRA, New York State Rifle and Pistol and S.C.O.P.E. We believe it is important to support these organizations. They keep the fight for the Rights of everyone. The Anti-Gun forces do not let up for a second to remove those Rights. As individuals, you too should become active with supporting one or more of the many groups in the forefront of the battle. Another way is to watch which Corporations either support or are against the Second Amendment and use your dollars in an affective method.
